The Rolex 24 Hours at Daytona has become a must-watch for sportscar fans in recent years. With the IMSA WeatherTech SportsCar Championship going from strength-to-strength, it now has a sizable international following from fans, teams and drivers alike. The Rolex 24 features grandstand views that overlook the entire circuit, spectator zones throughout the infield section and up-close garage access allowing fans to watch the teams working on their cars from multiple angles. The racing is always intense, with a grid featuring a mixture of DPi prototype machinery and GT cars from privateer and factory teams.

## SUPER SEBRING : 16th – 22nd March 2021

For many, the Sebring 12 Hours is still considered a season curtain raiser. Held on the world-famous airfield circuit in Florida, it's a race that pushes cars to their limits. The track surface itself is what separates Sebring from almost every other circuit on the planet; it has never changed, making it an extremely bumpy ride. It may be void of steep hills and sudden drops, but that doesn't mean it's easy for the drivers. It remains one of the most technical circuits in the world.

It makes for a visual treat too. The spectator areas are vast and cover the majority of the circuit. In the right place – such as the outside of Turn 1 – watching the sunset during the 12 Hours has become somewhat of a rite of passage for sportscar fans worldwide.

In 2021 the FIA WEC is also returning to the event for another 'Super Sebring' double-header, meaning two major sportscar races will be on the bill once again, both featuring world class fields of GTs and prototypes.

Travel Destinations can offer lake-side self-catering apartments for the event, located a short drive from the circuit overlooking Lake June.

### Prices from:

**£715.00**  
per person

*(based on 2 people sharing a studio apartment)*

## FIA WEC 6 HOURS OF SPA-FRANCORCHAMPS : 29th April – 2nd May 2021

The FIA WEC's annual trip to Spa-Francorchamps is considered the dress-rehearsal for the Le Mans 24 Hours by the teams and drivers, as it's usually the final race before the event in France. So, for sportscar racing fans it's an event that shouldn't be missed, with a chance to see all the Le Mans contenders in action at one of the most challenging circuits in the world.

The access to the paddock and circuit is superb for the event. Six hours is just enough time to complete a slow lap of the circuit on foot, allowing you the chance to take in all the vantage points at every corner of the iconic undulating circuit during the race itself.

## MONACO HISTORIC GRAND PRIX : 23rd – 26th April 2021

**The 2021 edition of the Monaco Historic Grand Prix is set to be a memorable one. Organised bi-annually by the Automobile Club of Monaco, it takes place a few weeks before the Formula One Monaco Grand Prix on the full 3.3km layout. The nature of the circuit, which has only undergone minor changes since the inaugural Grand Prix in 1929, makes it a perfect venue for historic racing.**

The three-day programme is packed for the Historic Grand Prix, featuring a mix of single-seater and sportscar grids spanning multiple decades, making it a real journey through the storied past of arguably motorsport's most iconic event: the Grand Prix De Monaco.

For the event our hospitality suite is located on the third floor of the Ermanno Palace, which overlooks the start/finish straight and Sainte Devote. Guests will enjoy hot drinks and pastries upon arrival, an all-day bar serving beer, wine and soft drinks, a buffet luncheon, TVs in the suite and a giant screen opposite. Access to the paddock is also possible once racing has finished each day.

For the 2021 edition we will be offering two hotel options, both with hospitality. You can also add flights and/or upgrade your hospitality at an additional cost.

### Hotel Splendid, Nice

The Hotel Splendid in Nice is a smaller boutique-style 4-star hotel in the city centre. It's located just a short 10-minute walk from Nice train station and the Promenade des Anglais. It offers plenty of café/bar/restaurant options nearby and has its own rooftop bar and pool.

Prices from:

**£1259.00**  
per person

*(based on 2 people in a car sharing a twin/double room)*

### What is included:

- 3 nights bed and breakfast at the Hotel Splendid'
- Saturday and Sunday access to the 3rd floor Ermanno Palace hospitality

### Hotel Metropole, Monaco

The Metropole is one of our favourites of the Casino Square hotels. Dating back to the late 1800's, with a characteristically belle époque style, this hotel oozes charm and class. Since opening its doors in 2004, the Hotel Metropole has established itself as one on the top Monte Carlo hotels and in 2010 it was voted 'Best Hotel in the World'. In our opinion there is nowhere better to stay for the Monaco Historic Grand Prix weekend.

Prices from:

**£2185.00**  
per person

*(based on 2 people in a car sharing a twin/double room)*

### What is included:

- 3 nights at the Hotel Metropole in Monaco on a bed and breakfast basis
- Two days hospitality on 3rd floor of Ermanno Palace (Sat/Sun)

## MILLE MIGLIA & ITALIAN LAKES : 8th – 19th May 2021

The Mille Miglia is without a doubt one of the most spectacular historic racing events on the planet. It features over 450 cars racing on some of the most scenic roads in Europe from Brescia, to Rome and back again to Brescia. It may not be a truly competitive sportscar event like it was back in the 20th century, but it still boasts a huge entry list with stunning vintage sportscars and a route which features special stages, closed roads and huge crowds lining the street.

Our driving tour takes you through the Champagne and Burgundy regions of France before ascending into the hills of the Jura. We have a stay in Montreux overlooking Lake Geneva before dropping down into Italy for a three-night stay on Lake Garda. From here we enjoy the lake and start of the Mille Miglia itself. We then cross back into Lake Iseo for two nights before heading back to Brescia for the finish of the race and experience the pageantry surrounding the finishers as they cross the line after their 1000-mile journey.

From Iseo we head towards home with three overnight stops before reaching Calais. The first is in the Tamina Valley, the second is an overnight in Alsace as we cross back through Switzerland where a few more passes can be enjoyed. Our final overnight is spent by a lake near the town of Laon.

## LE MANS 24 HOURS : 12th – 13th June 2021

OFFICIAL AGENCY

The Le Mans 24 Hours represents the pinnacle of sportscar racing. And for many, it's also the greatest motor race in the world. With a grid of over 60 GT and prototypes competing on the 13.6-km circuit over 24 hours it's a spectacle like no other in motorsport. The race also features as a double-points round on the FIA World Endurance Championship calendar, making it a vital event for the competitors hunting for world titles.

2021's event boasts plenty to look forward to. It will be the first for the new FIA WEC Le Mans Hypercar category, which will see Toyota, Glickenhaus, Alpine and ByKolles do battle with brand new machinery, and Corvette Racing's C8.R, which has already proven its worth in IMSA competition over in the USA. Will it be the car that returns the US-flagged factory team to winning ways after a five-year drought?

In 2021 Travel Destinations continues its role as an **official agency** for the Le Mans 24 Hours. This enables us to provide all our customers with the widest choice of available entrance and grandstand tickets, travel, accommodation and hospitality options for the race.

Providing the best accommodation options is our specialty. In addition to camping trackside, a long standing Le Mans tradition, Travel Destinations offers a number of other options in and around the circuit, to suit every need.

**The circuit-run campsites** form part of Travel Destinations offering. We offer spaces in all the main campsites around the circuit. They're the most economic options for fans making the trip. They're large and accommodate thousands of fans, so expect a lively atmosphere throughout race week.

Beyond that, Travel Destinations also operates private camping areas, including our **flagship trackside area overlooking the Porsche Curves**.

The site provides superior facilities to the public areas, with 24-hour security, a hospitality marquee and a private viewing bank on one of the most spectacular stretches of the circuit.

We also provide customers with glamping options, with fully kitted out **Event Tents**. Located at the Porsche Curves, the pre-erected bell tents can house up to four people. Each one is fully carpeted and comes complete with mattresses and bed-linen. It's a secure option with on-site showers, toilets and a catering marquee similar to our Porsche Curves site.

If you aren't keen on camping but wish to stay on site, then our **Flexotel Village** is the perfect option. Our 'pop-up hotel' provides lockable bedrooms in the centre of the circuit. Each room has two beds, kitted with bed-linen. They are located just a short stroll from the village and start/finish area, and also benefits from easy access to a tram stop which has excellent access to Le Mans town.

To upgrade your experience you should also consider adding either an Official Circuit or Michelin Hospitality package to your booking. These can include everything from suite access, fine dining during the race and even helicopter flights.

## LE MANS 24 HOURS : 12th – 13th June 2021

### Circuit-run Public Campsites

The simplest and most popular way to experience Le Mans is to join the thousands of people that drive down to camp at the circuit. Circuit run campsites, such as Houx, Tertre Rouge, Maison Blanche & Beausejour provide thousands of pitches in fields at the track.

Camping pitch size is 7m x 5m on which to put your vehicle and tent(s).

#### What to expect:

Camping at Le Mans can be a bit like a motor-racing Glastonbury. Expect basic facilities and a party atmosphere.

#### What we like:

A great option for groups and those travelling on a budget. There are a lot of campsites to choose from, so availability is generally good.

Travel Destinations offers a variety of hospitality options for the Le Mans 24 Hours each year. Both the ACO Official Circuit Hospitality and Michelin packages allow fans to upgrade their race week experience to include premium catering options, suite access, and exclusive behind-the-scenes access and tours during the race.

## LE MANS CLASSIC : 1st - 4th July 2021

The Le Mans Classic has quickly become the largest historic motorsport event in the world, with over 700 cars on the bill and around 200,000 spectators present to see the vast array of vintage sportscars from 1923 to 2010 compete once more on the full Circuit de la Sarthe over a 24-hour period. Beyond the track action, it's also an event that attracts a huge number of car clubs, with around 9000 cars expected to be on display on the infield. Travel Destinations is proud to continue its relationship with the Le Mans Classic event as an **official agent** for 2021. This enables us to offer the best selection of travel, tickets and accommodation at the event. Hotel

rooms are in high demand for the Le Mans Classic, but we can still offer stays in a selection of hotels a short distance from the circuit. You also have the opportunity to stay in a Flexotel 'pop-up' cabin too if you don't wish to camp.

If you do want to camp however, then Travel Destinations offers both circuit-run camping and two private trackside campsites with facilities managed in-house, as well as a glamping area with Event Tents.

**Our inclusive ticket options include circuit entrance and paddock access**, but you can also choose to add grandstand seats, circuit parking, track laps and hospitality when you book with us.

Travel Destinations offers customers the Official Le Mans Classic Hospitality experiences, with two or three day packages that include amongst other things: Michelin-star dining, an open bar, grandstand seats and lounge access away from the racing.

## ANGOULEME, CIRCUIT DES REMPARTS : 15th – 21st September 2021

One of our favourite events on the historic racing calendar is undoubtedly the Circuit Des Remparts at Angoulême. This one is all about atmosphere, as it takes place in the picturesque city centre, which will be packed with vintage cars all weekend. Travel Destinations offers the full experience, taking customers on a six-night tour from the UK, through to the Loire Valley, all the way down to the city of Angoulême itself for the event.

If you join us for our full group tour you'll enjoy an overnight stay in the Loire valley, en route on Thursday after the ferry crossing, before finishing off the picturesque drive on Friday. On arrival in Angoulême we'll take a walking tour of the City and the Concours d'Elegance in the Champ de Mars.

The Saturday will see the International rally take place, where almost 200 vintage cars will tour the Charente region before crossing the finish ramp in Angoulême town centre. And you can of course take your own car on the rally if it meets the criteria.

Sunday is race day and from 8am to 6pm a variety of historic Grand Prix cars will compete on the narrow, challenging street circuit as well as a variety of sports cars and GTs. For fans who love seeing cars up close, Cathedral

Grandstand seats will put you in the thick of the action and paddock access hands you the opportunity to admire the machinery in a static setting.

Following race day, on Monday we'll leave Angoulême and head north to begin our return to the UK, staying overnight in the historic town of Saumur. There we'll take a stroll along the Loire river and take in the Chateau de Saumur and spend one more night before arriving back in the UK.

On our Escorted Tour option we now have two hotels to choose from, the Mercure in Angoulême or the St Gelais Hotel in the centre of Angoulême. If the longer, guided tour isn't for you, we also offer a shorter three-night event-only experience in the Ibis Styles Hotel.

**The newly-renovated Zandvoort Park Circuit will play host to the annual historic festival in September, with a full line-up of FIA Masters Historic series which ranges from F1 greats to the best cars from sportscar racing's storied past.**

Zandvoort is a spectator-friendly venue, with great vantage points of all the key sections of the undulating circuit, located among the sand dunes on the Dutch coastline.

The paddock atmosphere for the Historic Grand Prix is a relaxed one, with open access that allows fans to get up close to the cars between races. The event tends to attract well known current and retired drivers, mainly due to the circuit being such an enjoyable one which produces great racing.

## Booking Conditions

Your package holiday booking is with TRAVEL DESTINATIONS LIMITED

**1. Our details** Travel Destinations Limited, 5 The Weltech Centre, Ridgeway, Welwyn Garden City, Hertfordshire AL7 2AA, UK.  
Tel: +44 (0)1707 329988, email: info@traveldestinations.co.uk

**2. Your holiday booking** A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept, and do accept, the terms of these booking conditions on behalf of your party.

When making your booking for your package holiday we will arrange for you to enter into contracts with the principal(s) or other supplier(s) (e.g. event/race organiser/airline/ferry company/ accommodation provider) that are providing your travel services, named on your confirmation(s), for whom we act as agent. We are the package organiser, with responsibilities to you as set out in these Booking Conditions.

**3. Paying for Your Holiday** When you make your booking, you must pay a minimum non-refundable deposit of £100.00 per person when the cost of the holiday is less than £1000.00 (per person). If the cost of the holiday is above £1000.00 per person, a non-refundable deposit of £250.00 (per person) is required. The balance of your travel arrangements must be paid at least 12 weeks before your departure date. If the deposit or balance is not paid on time, we shall cancel your travel arrangements and retain the deposit. Changes in transportation/fuel costs or exchange rates & taxes mean that the cost of your travel arrangements may change after you have booked.

**4. If You Cancel Your Holiday** You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period in which you notify us	Cancellation charge
More than 12 weeks prior to departure	Loss of deposit(s) including any pre-paid items such as grandstand tickets, track laps and hospitality packages
Between 12 and 10 weeks prior to departure	80% of total holiday cost
Less than 10 weeks prior to departure	100% of total holiday cost

**NB:** If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

You can also cancel your booking if the delivery of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable and extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated and for you to receive a full refund for all monies paid, subject to fees we incur on your behalf due to unavoidable /extraordinary circumstances (see section 8).

**5. If You Change Your Booking** If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way (for example your chosen departure date or accommodation) we will do our utmost to make these changes, but it may not always be possible. Any request for changes to be made must be completed in writing from the person who made the booking. You will be asked to pay an administration charge of £35.00 per booking, and any further cost incurred in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

**NB:** Certain travel arrangements may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements.

You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible and no later than 7 days before departure. Both you and the new traveller are responsible for paying all costs we may incur in making the transfer.

**6. If we cancel your booking** We reserve the right to cancel your booking. We will not cancel less than 12 weeks before your departure date, except for unavoidable and extraordinary circumstances, or failure by you to pay the final balance, or because the minimum number required for the package to go ahead hasn't been reached. Unavoidable and extraordinary circumstances mean a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. This includes significant risks to human health such as the outbreak of a serious disease at the destination, UK and foreign government prohibition and the advice and intervention of the UK Foreign & Commonwealth Office.

If your holiday is cancelled you can have a full refund for all monies paid, subject to fees we incur on your behalf due to unavoidable /extraordinary circumstances (see section 8). Or you can accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

### 7. If we change your booking

**(a) Changes to the price** We can change your holiday price after you have booked, only in certain circumstances:

- Changes in the price of the carriage of passengers resulting from changes to the cost of fuel or other power sources
- Changes in the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports

- Changes to exchange rates that mean the price of your travel arrangements may change after you have booked

However, there will be no change within 20 days of your departure.

We will absorb, and you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling and receiving a full refund of all monies paid. Should you decide to cancel you must do so within the time period shown on your final invoice.

Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

**(b) Changes other than the price** It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights or ferry/ train crossings by less than 12 hours, changes to aircraft/ship/train type, change of accommodation to another of the same or higher standard, changes of carriers/operators.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below:

We will contact you and you will have the choice of accepting the change or having a full refund of all monies paid subject to fees we incur on your behalf due to unavoidable /extraordinary circumstances (see section 8). You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully and respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

**8. Fees incurred due to unavoidable and extraordinary circumstances** As described in points 4, 6, and 7 of these booking conditions the cancellation of your holiday booking may occur due to unavoidable and extraordinary circumstances beyond our control. These include significant risks to human health such as the outbreak of a serious disease at the departure point or the destination, terrorism, earthquakes, volcanos, floods, fires, other natural hazards, UK and foreign government prohibition and the advice and intervention of the UK Foreign & Commonwealth Office. We reserve the right to retain a fee of up to £100.00 per person. These are for un-recoverable payments made to suppliers on your behalf prior to your departure. These suppliers include, insurance companies, ferry/train/airline companies, event organisers, ticketing and contract fees, hotel/accommodation payments, logistics and resource suppliers. All of which we will disclose to you at your request.

**9. Our Liability to You** You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed by us or the travel service suppliers, and this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: the behaviour of you or another member of your party; or a third party unconnected with the provision of the travel services in the package, and that is unforeseeable or unavoidable; or unavoidable and extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

- The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking.
- Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions.

You can ask for copies of the travel service contractual terms, or the international conventions, from Travel Destinations Limited. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be published at EU airports and available from airlines. However, reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted.

If it is impossible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible, of equivalent category, for a maximum of three nights. The limit doesn't apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday.

NB. This entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

### 10. Protecting your money

**1.** We provide full financial protection for our flight package holidays, by way of our Air Travel Organiser's Licence number 9970, issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone: 0333 103 6350, email: claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (for your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

**2.** We provide full financial protection for our other package holidays by way of an insurance policy held by ABTA – The Travel Association, 30 Park Street, London, SE1 9EQ, www.abta.com. You agree to accept that in the event of our insolvency ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original booking. You also agree to accept that in circumstances where the travel service supplier provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid. We provide full financial protection for our package holidays by way of an insurance policy with James Hallam Limited, Meridian House, Watford, WD17 1DS.

Please keep your letter concise and to the point. If you fail to follow the requirement to report your complaint in destination, we will have been deprived of the opportunity to investigate and rectify it and this may affect your rights under this booking. **13. Additional assistance** If you are in difficulty whilst on holiday, and ask us to help, we will provide appropriate assistance, in particular by providing information on health services, local authorities and consular assistance; and helping you to find alternative arrangements and any necessary phone calls/ emails. You must pay any costs we incur, if the difficulty is your fault.

**14. Damage and Litter** During your holiday it is your responsibility to leave the transport and provided accommodation (hotel or campsite) in a clean and re-usable state. General rubbish and/or items no longer required should be disposed of in the designated areas. If you choose to leave litter or intentionally damage the provided transport or accommodation (rooms or tents) we reserve the right to make a charge of up to £1000.00 towards the disposal of litter or repair/replacement of the damaged items.
